Problems Identified

- Parents wants to:
 - Increase communication with teachers and Vidya Sanskar
 - To be more involved and better informed about child's schooling.
 - To be more frequently updated about their child's education at Vidya Sanskar.
- School wants to:
 - Deepen relationship with parents
 - A mechanism to increase atmosphere of trust, satisfaction and commitment between parents-teachers and school.

Benefits for Students

- Find out test dates, class schedule, class reminders, homework, assignments, teachers notes even if absent or forgot to take notes.
- Can find lost handouts, printouts, worksheets given by teachers
- No more waiting long vacations to find out grades or test results.
- Increased awareness about class as unit
- Better and clear information and communication is only a mouse click away

Benefits for Parents

- You are no more depend on a young child's report to know about what's happening in the school.
- Allows parents to see pictures of class projects, activities and get overview of how classes are going on
- Interact with teachers, know how your child is doing and that too at your own time and convenience.
- Gives you a chance to contribute in better schooling and education of your child.
- Read articles by professional teachers on better education and help your child be more organized, focused and get better results at school.

Benefits for Teachers

- No more PMM and end of the year surprises. (How did my child get that grade? "Is my child doing his/her required work?" Is she/he studying properly?)
- Increased student and parent appreciation. And Yes, No more Forged signatures!
- You can publish your notes, articles and knowledge.
- Eliminates student excuses. ("I was absent and didn't know")
- Helps you keep organized.
