

## Problems Identified

- Parents wants to:
  - Increase communication with teachers and Vidya Sanskar
  - To be more involved and better informed about child's schooling.
  - To be more frequently updated about their child's education at Vidya Sanskar.
- School wants to:
  - Deepen relationship with parents
  - A mechanism to increase atmosphere of trust, satisfaction and commitment between parents-teachers and school.

## Class Homepages: Key Advantages

- IT makes information dependent on you and you are not dependent or waiting for information.
- Parents can find information about class activities and school at their own convenience and time.
- We are impressing parent community with our forward looking vision and building on our international school brand
- Entire system is Interactive, Integrated, Personalized and Professional

## Benefits for Teachers

- No more PMM and end of the year surprises. (How did my child get that grade? "Is my child doing his/her required work?" Is she/he studying properly?"
- Increased student and parent appreciation. And Yes, No more Forged signatures! 😊
- You can publish your notes, articles and knowledge.
- Eliminates student excuses. ("I was absent and didn't know")
- Helps you keep organized.

## Benefits for Parents

- Find out test dates, class schedule, class reminders, homework, assignments, teachers notes even if absent or forgot to take notes.
- Can find lost handouts, printouts, worksheets given by teachers
- No more waiting long vacations to find out grades or test results.
- Increased awareness about class as unit
- Better and clear information and communication is only a mouse click away

## Benefits for Students

- Find out test dates, class schedule, class reminders, homework, assignments, teachers notes even if absent or forgot to take notes.
- Can find lost handouts, printouts, worksheets given by teachers
- No more waiting long vacations to find out grades or test results.
- Increased awareness about class as unit
- Better and clear information and communication is only a mouse click away
