

What is your school, Vidya Sanskar's goal?

Your goal is to be proudest Indian school ever	<input type="checkbox"/>
Your goal is to be Best Global School	<input type="checkbox"/>
Your goal is to be create Indian international leaders	<input type="checkbox"/>
Your goal is to create international leaders	<input type="checkbox"/>
Your goal is to create students who are knowledgeable, ethical, sincere, compassionate, responsible and confident	<input type="checkbox"/>

Why does your school. Vidya Sanskar exist?

Your school exists only to make profit	<input type="checkbox"/>
Your school exists to provide a world class learning environment for student learning.	<input type="checkbox"/>
Your school has the social function to create leaders who can make maximum contribution to society through productivity	<input type="checkbox"/>
Your school exist as efficient organization where efficiency is the main aim and not the profit	<input type="checkbox"/>

Once goal is established, every decision (minor and/or major) can be taken in accordance to this goal. We can check if decision we are taking is in accordance to this all agreeable goal of the school.

This is just like mantra given by Gandhi ji to politicians, "Before taking decision, think of impact of your every decision onto the poorest of the poorest man in India".

What do you think?
